Dear Parents,

On Tuesday, January 22, 2019, at 2:50 p.m., two African American males approximately fifty to sixty years old approached a female student in the area of Evelyn Street in Hooksett after she exited the school bus. The men were in a white SUV with a Massachusetts license plate. The men rolled down their window and attempted to speak with the student. The student immediately ran to a neighbor's vehicle for safety. The Hooksett Police Department was notified of the incident.

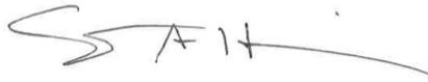

Please remind your children to always be cautious and aware of any unknown vehicles or people. As always the safety of all children in the Hooksett School District is the number one priority. The Hooksett Police Department will be conducting extra patrols throughout this area.
