Dear Hooksett Parents/Guardians,

Last evening the Hooksett School Board voted to reopen schools with the option for parents to select in-person learning or full-time remote learning. A survey will be emailed to parents in the next few days to gauge parent interest regarding the options. The Board also voted to change the first day of school for students to Tuesday, September 1, 2020.

In conjunction with the in-person learning option, the Board voted to have students in grades 2-8 wear face coverings in school unless they were exempt due to a medical condition. For students in grades PreK-1, it is recommended that they wear a face covering while in school. All students will wear a face covering on the bus unless otherwise exempt.

In the upcoming weeks, parents will be receiving additional information regarding both the in-school and distance learning options along with a survey to make their selection for the school year.

Please contact your child's building principal if you have any questions.

Sincerely,

William J. Rearick
Superintendent of Schools
