October 26, 2020

Dear Parents/Guardians of Hooksett School District K-8 Students,

The first trimester of the 2020-21 school year will be coming to a close on December 1, 2020. In August, when you made your selection for in-person or remote learning, we indicated that we would reach out to all families at the end of the first trimester regarding their child's educational placement. The purpose of this communication is to gauge your interest in changing, if space permits, your child's learning environment.

If you are looking to make a switch **please notify your building principal via email by November 6, 2020** and we will do our best to accommodate your request if space allows. Staffing for both in-person and remote learning is currently very tight and adjustments will only be able to be made on a case by case basis.

Please feel free to reach out to your child's principal with any questions or concern that you may have.

Sincerely,

William J. Rearick

Superintendent of Schools
