Business Administrator

April 21, 2021

Dear Hooksett Parents and Staff,

At their meeting on April 20, 2021, the Hooksett School Board voted to rescind the daily screening process which was established in the Hooksett schools' reopening plans, effective Monday, May 3, 2021. All other health and safety protocols continue to remain in effect.

Thank you for your continued support.

Sincerely,

William J. Rearick
Superintendent of Schools
